

HEMISPHERICAL FLANGED BOWLS

Product Code RB-445170

RB-385170

RB-300170

Features and benefits

- Economical
- Stylish design
- Seamless construction

Product information

Woodroffe's range of Round Flange Bowls are manufactured to the highest standard and are suitable for top or undermount applications.

Added to this the RB collection of bowls are all manufactured from highly polished 18/10 stainless steel and incorporate a hemispherical base, which enhances the overall appearance.
