

## CORNER GUARDS

**Product Code** CNRGRD

### Features and benefits

- Stainless or powder-coated
- Stronger than plastic
- Fire resistant
- Long lasting
- Large range of colours

### Product information

Woodroffe corner guards provide the protection of steel while maintaining an aesthetically pleasing appearance.

Corner Guards are available in 304 or 316 stainless steel as well as our durable double glazed powder-coat finish. Manufactured from 0.9, 1.2 or 1.6 material these Corner Guards can be fastened to the wall with construction adhesive, silicone or mechanical fasteners.

The standard Corner Guards are a 50x50mm folded angle available in 750mm or 1200mm lengths, but can also be custom manufactured to suit any other specific requirement.
