**Product information**

Woodroffe Mobile Bars are the most innovative development in the hospitality industry in years.

This "Go Anywhere" bar has been designed for the most efficient dispensing of beverages in remote, outdoor or special event locations.

The standard 2 metre long bar comes complete with waterproof electrical system including 2 double power outlets, 3 metre 10 amp power cord and single fluorescent baton for illumination of work surface. Also included as standard are the locking castors, stainless steel foot rail and front wheel covering skirt.

As well as these standard options, the Mobile Bar can be easily adapted to any requirement.
