

CLEANERS SINK

Product Code CLNR-SINK-COMP

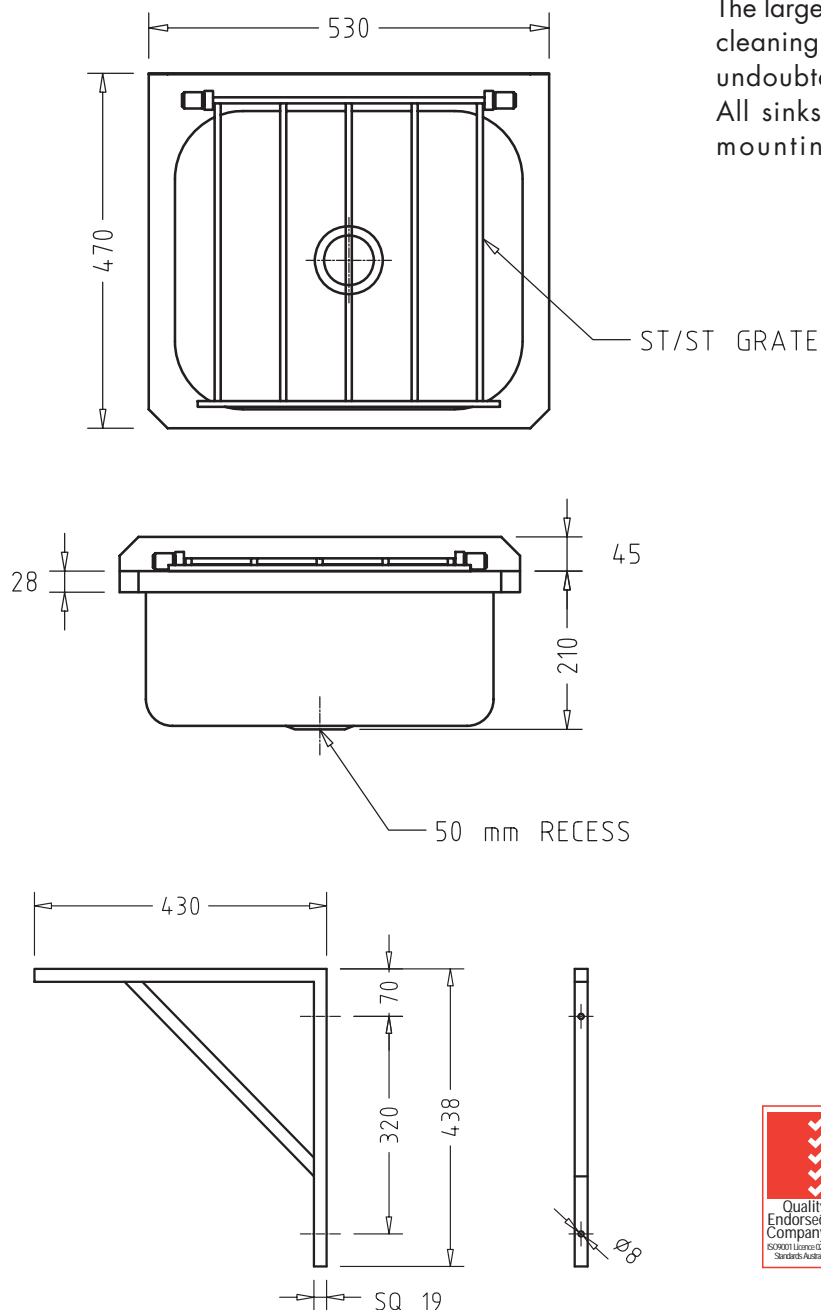

Features and benefits

- Durable hinged grate
- Economic
- 304 grade stainless steel
- Easily installed

Product information

Woodroffe standard Cleaners Sinks are press formed from 1.2 gauge 304 grade stainless steel.

The large internal radius corners provide easy cleaning, while the durable hinged grate is undoubtedly the strongest on the market. All sinks are supplied complete with wall mounting brackets and plug waste.
